4-H CLUB AGENT TO RETIRE

Retirement of Miss Hallie Hughes, associate state 4-H agent at VPI has been announced as effective on July 1.

Miss Hughes was a pioneer in the development of 4-H work, both in Virginia and in the nation. She was appointed in 1918 as the first state girls' agent. She saw the beginning and was instrumental in many 4-H events—the first state 4-H short course in 1919, the organization of the Virginia Chapter of All-Stars in 1922.

Through the early development of boys' and girl's club work, the principal emphasis was placed on the individual demonstration. It was not until the establishment of the state club department at VPI that the emphasis in club work was on the development of a well-rounded life by rural young people.

Also announced this month by the 4-H club department is the appointment of Miss Evelyn Cleo Barker as associate agent. She received her degree in home economics from VPI in 1950, and since that time has been employed by the Maryland Agricultural Extension Service.

HARVEY'S TEAM MAKES STATEMENT TO FANS OF SOFTBALL LEAGUE

Harvey's Store Team in the softball league yesterday issued the following statement:

"We would like to make a statement to the Softball League fans, since there have been tots of rumors going around about some recent games. We, the Harvey Store team have been accused of winning games by forfeit and of winning games by protest.

The game we won from the Baptist Church team on forfeit was given to us due to the fact that they didn't have enough ball players to play. The game we won on protest from Western Auto Team was given to us by the Commissioner of the Softball League. The protest was on misinterpretation of the rules and regulations. The protest was won on the same.

It's true the purpose of the Softball League is for recreation and fun. But when we have rules and regulations to go by, we think they should be carried out 100%.

As matters stand, we have been awarded two games, one by forfeit and one by protest. However, we have notified the League President that we prefer to win our games on the field in actual play, and to that end have told him we would like to have these two games played over again. We feel that this is more than fair, since we have been awarded the two games.

We have a fine softball league and are proud of the interest shown by the fans. Naturally, our team likes to win games, but we want everyone to be satisfied and we prefer to win or lose on the field.

We would also like to thank the Town for their cooperation in furnishing the park and lights, and our league officials for their good work.

Our game with the Baptist Team will be played this Friday night. Everybody come to the game!

Harvey's Store Team,
By E. W. Harvey, Mgr.
